Profile

iOS Developer with 2.8+ years of experience building and scaling mobile applications in **FinTech, POS, and CRM/HRMS** domains. Skilled in **Swift, UIKit, SwiftUI, and Flutter**, with a track record of improving app performance, implementing offline-first features, and delivering production-grade apps through Agile practices. Strong experience in collaborating with cross-functional teams and deploying apps to the App Store.

Employment History

Software Engineer, Alberta Payments & Technology, Ahmedabad

JUNE 2025 — PRESENT

- Developing and maintaining **iOS modules** for a FinTech + POS solution supporting billing, payments, and inventory management.
- Improved UI rendering performance on low-end POS devices, reducing memory usage by **20%** via view reuse techniques.
- Collaborate with QA and Design teams in an **Agile/Scrum** environment to deliver timely updates.

iOS Developer, Ufficio Pvt. Ltd., Ahmedabad

DECEMBER 2024 — JUNE 2025

- Built employee-side features: **task tracking, attendance logging, leave management, and call history** for CRM + HRMS app.
- Designed **custom calendar views, dashboards, and task deadline displays** with UIKit.
- Integrated **push notifications, background sync, and real-time status updates** to boost task completion efficiency.
- Refactored legacy code into a **modular architecture**, improving scalability and testability.

IOS Developer, Prismetric Technologies, Gandhinagar

JANUARY 2023 — DECEMBER 2024

- **Zilli Photo Editor App**: Implemented photo filters, cropping, and gallery management with Core Image.
- **Kuwait University Student App**: Built timetables, results, and academic alerts modules.
- **Parking Management App (Flutter)**: Developed UI and integrated Firebase for real-time slot tracking.
- Delivered iOS apps in Swift, contributed to Flutter projects, and integrated **REST APIs, Firebase, and CoreData/SQLite**.
- Gained expertise in app lifecycle management, version control, and modular design.

Education

BCA, St paul's College , Aburoad

MARCH 2018 — APRIL 2021

MCA, Ganpat University

MARCH 2021 — JUNE 2023
